Celebrating Pluralism: Art, Education, and Cultural Diversity

F. Graeme Chalmers offers an invaluable resource for educators seeking to use the arts to

- **promote cross-cultural understanding;**
- **recognize and celebrate racial and cultural diversity;**
- **enhance pride in students' cultural heritage; and**
- **address issues of ethnocentrism, prejudice, and racism.**

Celebrating Pluralism will help you develop the approach to multicultural arts education that makes the most sense to your students and community. (94 pages; $10)

WHY DESIGN?

***Why Design?*, a compilation of hands-on activities, shows how to use everyday objects to examine American culture. Buildings, landscapes, and graphics become vehicles for teaching critical and creative thinking, problem solving, communication, conflict resolution, and teamwork. Whether for history or geography classes, *Why Design?* will help students understand their world and equip them with skills to improve it.**
